## Civil

- solid
  - explosive
  - rifled explosive
- 4"

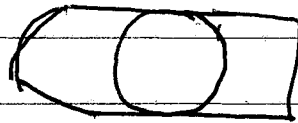

powder  
Antikong &  
Ammunition  
of Civil War  
Warren Ripley

Amazon.com

## Powder (black)

- quarry

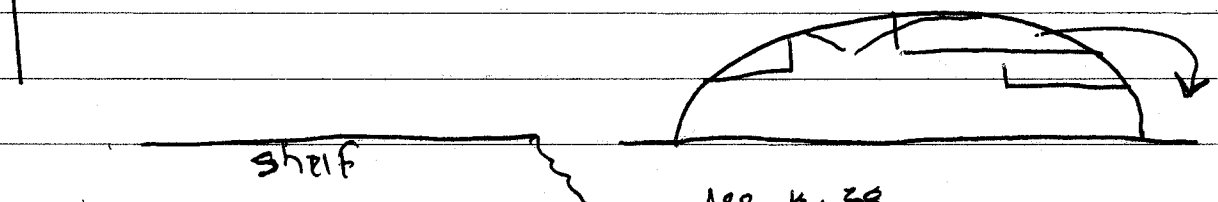

AKA Bird Is., Banana,  
Bogoni Huskys

- light house

- 3 Forts masonry - this was the plan, never built except  
Point, worthless > Ft.

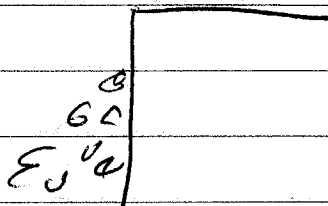

- Point
- Lime Pt.
- Alcatraz

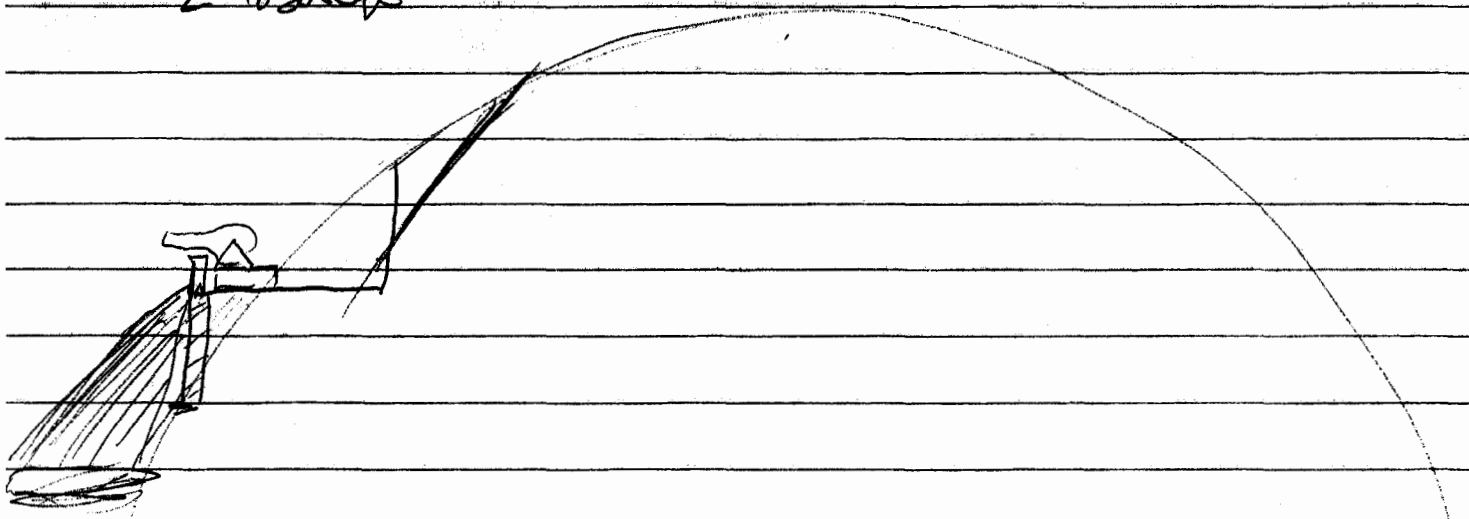

shelf

see p. 38

Ft Pulaski - rifled shells so Ft. no longer  
on operable

- 1 sign
- 2 barrels

- ④ Mine storage in bank proof (barrels)
  - document - hollow - never filled
  - several hundred
  - <sup>possibly</sup> Magogene - mining of harbor cable chise

> 1890 - mines <sup>TNT filled</sup> removed  
 washrooms, coal storage, then change room  
 1874 was full of barrels

- ⑤ Band proof - with dog leg  
 never armed

⑥ Salty port, Cannon - grape, canister, black powder

⑦ 24 1/2 Hunitzer

⑧ powder keg - <sup>underneath</sup> ~~salty port~~ <sup>gun room</sup> ~~gun room~~  
 powder room / Jail room Civil.  
 e.g. 11 prisoners on 12/1/59, 61 4/12/61  
 L and firement for dept of

819 twin pressure room / magazine

1864 - first purpose built pressure (military)

✓ ↳ Circa, was a wood (part) bldg. inside only -  
- no reference to any pressure or distance - rifles  
dry chng. plant during army period pistols

C.O. of AA  
up in  
Retirement  
5/42 -  
constructed  
wood frame  
platform  
216 camp

back pad + chimney

millinery next to John's mother

share search, opportunistic - early thing  
found a ruptured cannon < For North  
Capomier >

1871 returning was blue vaulted / yellow  
is active

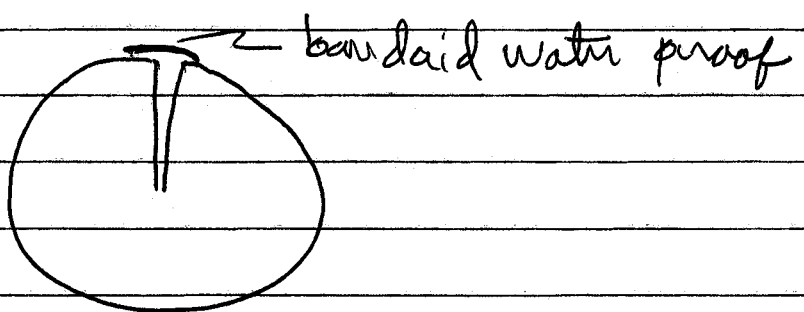

1864 - 45 pressure needed a pressure  
- wood frame bldg. inside of ally part  
- regular bldg. (CA.) rearward guard  
"D" = quarter "T" = three

12 pound wheeled cannon  
+ cannon at li'nce  
end of civil war 1200 cannon  
1905 end of artillery

1872 earth works, cannon removed  
by 76 had 10 radments removed  
92 200 to 5 radments  
99 200 to 5 radments

North Battery

- powder kegs
- lead kegs put in box

- exploded ~~captured~~ cannon captured here taken to dump on other side of island

13-14 summer way to capture ca. 1874-76

15 another summer way.

South battery cannon is burned see map #6

Parrot rifles almost always filled w/ black powder 1001 -> 8" rifled

1802 only 2 old Rodman - rifled mortar - black powder see Ripley

19 - summer position of North fort only remains in basement

20 base for cannon he has searched  
21 Post on No ordnance

1901 Prison Alcatraz Is. Pac 37, U.S. Military Prison

1915 Disciplinary Barrack

no longer defensible

U.S. Army  
Damage names from part on Alcatraz to Pacific Branch 5/7  
of \_\_\_\_\_

1207 Ruban tunnel guns to Tamm Valley  
Mission removal - mission removed <sup>no longer a</sup> defense <sup>what</sup>  
taking down wooden prison cell blocks  
600 prisoners Army dep. (250 Fed. P Bar.)

Army prison bureau of prison  
- BOP in January  
23 - unique entrance <sup>backup</sup> ~~with~~ <sup>feeding</sup> generator  
24 Side room of magazine = magazine in diagram on map
